

## COVID PROTOCOLS

### Restaurant

All staff are health checked daily including temperature. They are all wearing masks

The restaurant is deep cleaned and touched surfaces are sanitized throughout the day

Your table has been sanitized between seatings and marked as clean

Utensils and condiments will arrive with your food. Condiments are single use and all plates, utensils etc. have been sterilized between uses.

The tables have been spaced for good social distancing

Payment is by contactless credit card EMV reader

The bathrooms are now single occupant and the door indicates whether they are occupied or vacant. They are cleaned and sanitized every half hour

The floor is marked with the areas for each party to wait for the next order station to be available or where to wait for ToGo orders

Your food and drinks are brought to the table by a staff member who is dedicated to just this task

Purell hand sanitizer is offered as you enter the restaurant, at the order stations and at several clearly marked stations on the patio

### Guests

Do not enter the restaurant if you have a cough, fever or are feeling unwell.

Please sanitize your hands upon entering the restaurant

You must wear a face mask at all times except when seated at your table

Please maintain social distancing other than with your party

Payment at this time is with credit card only

The floors are marked with red lines for waiting areas. Please respect these

Bathrooms are single use. The doors indicate when they are vacant. Please wait in the indicated spaces for the next bathroom to become available

If you have children or dogs with your party please keep them at your table

No seating is available for parties larger than 8

**House Rules are Non-negotiable.** If you have a problem please ask for a Manager
